16. [] Spoke with Mr. Robert Penn, Manpower Statistics Division, Civil Service Commission, to determine the accuracy of the figures reported by the Senate Foreign Relations Committee in connection with the 10 per cent overseas cut in S. 3526, Foreign Relations Authorization Act of 1972. The Senate Committee report apparently has made a substantial understatement of Federal civilian employees abroad. Mr. Penn is sending me a copy of the most recent Civil Service Commission report on the subject.

17. [] In response to a request from the Office of Management and Budget, called Janis Humphrey and advised her that since we are out of the picture now, we would defer to Department of State with respect to their draft bill to authorize for fiscal year 1973 the sum of \$38.52 million for grants to Radio Free Europe and Radio Liberty, and that the bill appeared to be a constructive step. This matter was coordinated with [] General Counsel, and the Office of Planning, Programming and Budgeting. I also called to Miss Humphrey's attention two technical errors in State's proposed transmittal letter concerning the public law number of the current authorization and the date of its approval by the President.
